The discovery of a Higgs boson at the LHC and future prospects

Wednesday, 10 July 2013 17:40 (1 hour)

Abstract content
 (Max 300 words)

With the discovery of a Higgs boson at the LHC a new era in particle physics opens up. The discovery will be reviewed. Reviewed will also be the status of the elucidation of the spin-CP of the new boson. Prospects for Higgs physics at the LHC and other facilities will be outlined.

Apply to be
br> considered for a student
br> award (Yes / No)?

No

Level for award

- (Hons, MSc,

- PhD)?

-

Would you like to
 submit a short paper
 for the Conference
 Proceedings (Yes / No)?

Yes

Primary author: Prof. MELLADO, Bruce (University of the Witwatersrand)

Presenter: Prof. MELLADO, Bruce (University of the Witwatersrand)

Session Classification: Poster2

Track Classification: Track B - Nuclear, Particle and Radiation Physics
