

## 10th Inkaba yeAfrica Scientific Conference

Mon 29 Sept - Fri 3 October 2014

The Lord Milner Hotel - Matjiesfontein,  
Karoo, South Africa

*"Observe the present and consider the past to ponder the future"*

### FINAL CALL to REGISTER and submit ABSTRACTS

## FUTURE EARTH 2014

### Iphakade and Earth Stewardship Science

*Space, Energy, Minerals, Rocks, Soils, Air, Water, Food, Life, Strain*

*incl. Special Karoo Shale Gas Workshop, Field Trip, Farmers' liaison  
and separate Introduction to Farm Matjiesfontein's New Geo-Walking Trail*

*Attendance upon Invitation only*

- |                                                                                                                                                                                      |

| <p>* <b>Deadline for Abstract Submission</b> (extended – FINAL) : <b>31 August 2014</b> *</p> <p>* <b>Deadline for Registration</b> (extended – FINAL) : <b>31 August 2014</b> *</p> |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Since 2003 the Inkaba yeAfrica/!Khure Africa Scientific Workshops (and, this year for the 1st time as Conference) is concerned with **reporting significant research results** achieved by 60 only invited Inkaba/!Khure/AEON **Students** and a few seconded Mentors/Supervisors for the 2013/14 period. All Students have to do a poster session incl. a 5-min slide presentation. Depending on their results as per submitted Abstracts, some students will be invited to do talks/orals. Supervisors/Mentors do orals (with a poster should they so wish) on their own research, in order to be able to attend.

The historic Lord Milner Hotel at Matjiesfontein is fully booked (70pp) incl. the camping facilities at the UCT Field School, Laingsburg. AEON/Inkaba/!Khure will cover all road/train travel costs, accommodation and field trips as per e.mail addressees (which include facilitators/guest speakers) and Inkaba/!Khure/AEON students (*latter to note that single/twin beds/rooms are in short supply*).

All Abstract, Poster/Oral submissions are submitted online by 31 August and the latest Workshop updates, as it becomes available, at <http://events.saip.org.za/event/inkaba10> and [www.inkaba.org](http://www.inkaba.org)
