Subject: Response to referee's comments

Reference: **"Effect of Mo content on the structural and physical properties of  $\text{Cr}_{100-x}\text{Mo}_x$  alloys" (id: 076ab)**

Dear Sir,

This is in connection with our paper entitled **"Effect of Mo content on the structural and physical properties of  $\text{Cr}_{100-x}\text{Mo}_x$  alloys" (id: 076ab)**, submitted for SAIP 2014. We have modified the text as suggested by the referee's. Our response to the referee's comments is as follows.

Referee's comments	Response to the referee's comments
Please Include the country in the author affiliation, as stipulated	Country in the author affiliation is included.
Bottom page 1, top of page 2 : a space is required between "(gamma)" and "is".	Corrected as suggested by the referee.

Thanks,  
With regards,

Yours Sincerely,

  
Dr. A.U.Chavan
