CONFERENCE PROCEEDINGS

The proceedings of the SAIP 2015 conference will be peer reviewed and produced in accordance with the DHET guidelines for recognition at the level of 0.5 units per article. Only papers that are submitted strictly on or before 23:59 SAST on 31 May 2015 will be considered for publication. The guidelines for authors, the application procedure for recognition of your article and other details relating to the proceedings will be available on the conference website.

PHYSICS DEMONSTRATION COMPETITION

A physics demonstration competition, open to individuals and groups, will form part of the SAIP 2015 academic program. The focus of the competition is to demonstrate that Physics is fun and that by using innovative practical aids, apparently challenging concepts can be explained in a simple way. Entrants will have 10 to 20 minutes in which to demonstrate a physics concept in a clear, effective and entertaining manner. Details of the competition will be posted on the web site in due course.

WINTER WORKSHOPS

More information will be provided towards the end of February 2015.
