AOIM 2013

9th International Workshop on Adaptive Optics for Industry and Medicine

2 – 6 September 2013
Stellenbosch, South Africa

One day **Spring School**: 2nd September 2013

Invited Speakers:

David Williams (U. Rochester, USA)
Stefan Piehler (U. Stuttgart, Germany)
Martin Booth (Oxford U., UK)
Juan Bueno (U. Murcia, Spain)
Gordon Love (Durham U., UK)
Rocio Borrego Varillas (U. Juame I, Spain)
Michael Duparre (U. Jena, Germany)
Jesus Lancis Saez (U. Jaume I, Spain)

9th International Workshop
on Adaptive Optics for
Industry and Medicine

2 – 6 September 2013

STIAS Conference Centre
Stellenbosch
South Africa

www.saip.org.za/aoim2013

Enquiries: aoim2013@saip.org.za

Programme Chair

Andrew Forbes (South Africa)

International Organising Committee

Alexis Kudryashov (Russia)
Pablo Artal (Spain)
Sergio Restaino (USA)
John Gonglewski (UK)
Jean Claude Kieffer (Canada)
Ulrich Wittrock (Germany)

Important Dates

1 Oct 2012: 1st call

31 March 2013: Abstracts due

30 April 2013: Registration for authors

30 June 2013: Payment of registration fees

Topics include all aspects of wavefront control and measurement, adaptive optics and spatial light modulators, with emphasis on applications, and a **Spring School** on related topics.
