

Biophysics in Africa - 2023

Tuesday 26 September 2023

Biophotonics: Biophotonics (09:00-10:00)

-Conveners: Bryan Trevor Sewell

time	[id] title	presenter
09:00	[94] Real-time feedback-driven single-particle tracking spectroscopy of LHCII	VAN HEERDEN, Bertus
09:30	[93] Using quantitative fluorescence correlation spectroscopy to study aggregation of the main photosynthetic antenna of plants	CONRADIE, Francois
