

Process with estimated time lines for SAIP 2023 Proceedings

1. 30 August 2023: Conference Proceedings Submission Deadline. Please adhere to this deadline.
2. 1 – 30 September 2023: Articles will be uploaded to TURNITIN to check for similarities and plagiarism. TURNITIN reports will be considered by the Editorial Team.
3. 1 – 30 September 2023: Articles will be checked for style layout by associate editors. Note that the articles must adhere to the stipulated house style for publication.
4. 7 – 21 September 2023: Associate editors will send articles to reviewers within the specific field for the content review.
5. 30 September 2023: Reports on plagiarism/similarities, style layout and content will be returned to the authors for correction.
6. 1 – 15 October 2023: Based on the reports the articles will be accepted or rejected or returned to the authors for correction. Authors will have time to work on corrections and return the papers to the associate editors. The associate editors will upload the reports onto the system.
7. 16 – 30 October 2023: Papers that required major revision to be reconsidered by the reviewers for their comment.
8. 1 – 7 November 2023: Papers will be accepted or rejected by the associate editors and the authors informed of the outcome.
9. 7 – 15 November 2023: Accepted articles will be made available by the associate editors for compilation in the SAIP 2023 Proceedings.
10. Accepted articles will be published online in the SAIP 2023 Proceedings.
11. Note that the submission date will not change, but the other time lines given here is idealistic and are therefore subject to change.
