## "How to build skills for the African Light Source".

Brenda Valderrama National University of Mexico

Accelerator design	Accelerator construction	Accelerator operation	
2-4 years	5-7 years		
20 – 50 persons	5 to 10 persons	20 – 50 persons	

Accelerator design	Accelerator construction	Accelerator operation	
2-4 years	5-7 years		
	Labs design	Labs construction	Labs operation
	2-4 years 2 – 10 persons per lab	2-4 years	

Accelerator design	Accelerator construction	Accelerator operat	ion
2-4 years	5-7 years		
	Labs design	Labs construction	Labs operation
	2-4 years	2-4 years	
Facility administration			
50 persons			

Accelerator design	Accelerator construction	Accelerator operation	
2-4 years	5-7 years		
	Labs design	Labs construction	Labs operation
	2-4 years	2-4 years	
	Facility administration		

Champion – political leader

Project manager – administrator with scientific background

Scientific leader - scientist
