Section C: Suggested Reviewers

Note: In order to improve the scientific quality and ensure credibility of published proceedings of *South African Insititute of Physics (SAIP) conferences*, it is essential that manuscripts be evaluated by competent individuals. Unfortunately, the physics community in South Africa is small and the onerous responsibility of reviewing manuscripts cannot be left to a few individuals. As a supervisor of a student submitting a paper, you will automatically be added as a referee for the SAIP Conference proceedings. In addition please ensure that you provide a list of suggested reviewers below.
