UNIVERSITY OF ZULULAND

SOUTH AFRICAN INSTITUTE OF PHYSICS
58TH ANNUAL CONFERENCE

8-12 July 2013

SOUTH AFRICAN INSTITUTE OF PHYSICS

CALL FOR ABSTRACTS

SAIP WINTER SCHOOLS: 8 July 2013

Winter School 1: Applications of Synchrotron Radiation
Winter School 2: High Energy Physics
Winter School 3: BioPhysics Workshop

Venue: Richards Bay Campus, University of Zululand Corner of Guldengracht and East Central Arterial Roads, Arboretum, Richards Bay

REGISTRATION & CALL FOR ABSTRACTS

University of Zululand's Department of Physics invites submission of abstracts for the upcoming 58th South African Institute of Physics (SAIP) Conference. The closing date for submission is 26 April 2013. The four-day conference will be held at the Richards Bay Campus and will officially open on the evening of 8 July. The event will close with an evening banquet on Friday, 12 July. A one-day Winter Schools programme will also be held on 8 July. Delegates may register and submit abstracts via the conference web address: http://indico.saip.org.za/event/saip2013

ACCOMODATION

UNIZULU's Kingston Residence accommodation in Arboretum, Richards Bay can cater for to 260 delegates. It is based in the central town and is within walking distance to Boardwalk Mall and Virgin Active Gym. It offers two single beds per room with communal facilities within four or six sleeper units for individual and group bookings.

Richards Bay offers a wide variety of self-catering and B&B accommodation within central town and in close proximity to the Boardwalk Mall, Richards Bay Harbour and Airport

Delegates are responsible for their own bookings. For suitable private accommodation visit:

http://www.proteahotels.com/richards-bay.html
www.citylodge.co.za

http://www.safarinow.com/destinations/richards-bay/hub.aspx
www.seagulllodge.co.za

TRANSPORT

UNIZULU transport will be provided on the evening of 7 July, from King Shaka International and Richards Bay Airports. Delegates will be responsible for their own transport arrangements, should they miss the scheduled transport times. Transport to the airport will be provide on Saturday 13 July as per scheduled transport times. Further details will be available when booking your conference reservation.

CONFERENCE PROCEEDINGS

The proceedings of the SAIP 2013 Annual Conference will be peer reviewed and produced in accordance with the DHET guidelines for recognition at the level of 0,5 units per article. Papers that are submitted strictly on σ before 9 July will be consided for publication. The guidelines for authors, the application procedure for recognition of your article and other details relating to the procedings may also be found in the Proceedings section of the Conference website.

PHYSICS DEMONSTRATION COMPETITION

Groups and individuals are encouraged to participate in the Physics Demonstration Competition on 10 July. The 10 - 20 minute presentation will be rated and posted onto the SAIP website.

PHOTOGRAPHY COMPETITION

Delegates are encouraged to submit copies of images for this year's photography competition.

GAME AND HERITAGE TOURS

To avoid disappointment, book early to join our tours of Hluhluwe Game Reserve or the National Heritage Site, iSimangaliso Wetlands Park. iSimangaliso Wetland Park consists of approximately 3 280 km² natural ecosystems. It is the third-largest protected conservancy in South Africa which runs from the Mozambican border to Mapelane. Visit the SAIP website for further details.
