

**10th Inkaba yeAfrica  
Scientific Conference**  
Mon 29 Sept - Fri 3 October 2014  
The Lord Milner Hotel - Matjiesfontein,  
Karoo, South Africa

*"Observe the present and consider the past to ponder the future"*

## Invitation to REGISTER and 1st CALL for ABSTRACTS

### **FUTURE EARTH 2014\***

**Iphakade and Earth Stewardship Science**  
*Space, Energy, Minerals, Rocks, Soils, Air, Water, Food, Life, Strain*

*incl. Special Session and Field Trip on Karoo Shale Gas*

*Attendance upon Invitation only*

**\* Deadline for Abstract Submission : Monday, 18 August 2014 \***  
**\* Deadline for Registration : Friday, 22 August 2014 \***

The Inkaba yeAfrica/!Khure Africa Scientific Workshops to date (and, this year for the 1st time as a Conference) are concerned with **reporting significant research results** achieved over the 2013/14 period. This too will be the only basis for 1-2 supervisors/mentors per institute to attend, incl. their 5-10 nominated students - attendance per INVITATION only. Like their students, the Supervisors/Mentors have to present an oral/poster on their own research, in order to be able to attend.

Inkaba yeAfrica booked ALL accommodation facilities at Matjiesfontein (70pp) incl. that at the UCT Field School, Laingsburg. At the same time, AEON/Inkaba yeAfrica will cover the road/train travel costs, accommodation and field trips for only 10 senior mentors (as per e.mail addressees - excl. guest speakers/presenters) with only 60 Inkaba students in shared accommodation (single/twin beds in short supply).

All Abstract, Poster/Oral submissions are done online and the latest Workshop updates, as it becomes available at <http://events.saip.org.za/event/inkaba10> and [www.inkaba.org](http://www.inkaba.org)

<b>Chair : Prof. Maarten de Wit</b> <a href="mailto:maarten.dewit@nmmu.ac.za">maarten.dewit@nmmu.ac.za</a>	<b>Co-ordinator : Ms Elronah Schaap (Smit)</b> <a href="mailto:admin@inkaba.org">admin@inkaba.org</a>
