Matjiesfontein GeoTrail Walk

Tuesday, 30 September 2014 09:00 (2h 30m)

Opening of the Matjiesfontein GeoTrail developed by final Inkaba Sub-Project 1.1 DTech students, Ms Danel van Tonder (TUT/UNW) and Mr Leon Croukamp (SU). Accompanied Walk with Prof. Erik Holm (Entomologist) on the Matjiesfontein GeoTrail to search and identify some of the Karoo's unique insects and spiders. As a renowned South African Entomologist, Prof. Holm will be able to share interesting and unfamiliar facts and figures about these insects and spiders on the Matjiesfontein terrane.

Presenter: Prof. HOLM, Erik (Private)
