**Date:** 9 February 2011

Dear SAIP Member,

## 2011 Silver Jubilee Medal Nominations

You are invited to submit nominations for the 2011 Silver Jubilee Medal. The closing date for nominations is 23h59 on Friday, 29 April 2011. Nominations must be sent to the SAIP secretary at [secretary@saip.org.za](mailto:secretary@saip.org.za).

Please take note of the following points regarding nominations, as outlined in the Bylaws of the SAIP:

- The award will be made for outstanding achievement by a young physicist in any of the following facets of any branch of physics: research, education, technology and industrial development. Awards will be made to persons who are less than 35 years old on the closing date for the receipt of nominations.
- All members are invited to nominate physicists for the award. The submission must consist of a full Curriculum Vitae of the nominee, accompanied by a full motivation that must clearly describe the fields of activity in physics in which the nominee has excelled, what her/his actual contributions were and the standards by which these contributions have been measured. Nominees must have been normally resident in South Africa up to the closing date set by Council for the receipt of nominations. Only work done by a SA citizen or someone with a permanent residence permit will be considered for this purpose. The work must have been done in South Africa or during a temporary visit abroad.

Please note that previously unsuccessful nominees for the Silver Jubilee Medal may be re-nominated, provided they are still eligible according to the criteria set out above.

Contact me if you have any further queries.

Yours sincerely,

Dr Jackie Nel

**Honorary Secretary SAIP**

---

#### Other Council Members

Prof. N. Chetty (U. Pretoria), Mr. G.W. Bosman (U. Stellenbosch), Prof. S.H. Connell (President Elect - U. Johannesburg),
