

Supervisor/Promoter agreement

Note: In order to improve the scientific quality and ensure credibility of published proceedings of SAIP conferences, it is essential that manuscripts be evaluated by competent individuals. Unfortunately, the physics community in South Africa is small and the onerous responsibility of reviewing manuscripts cannot be left to a few individuals. We expect all supervisors/promoters to assist with the reviewing of manuscripts.

Paper ID	55
Paper title	Correlation study of multi-wavelength transient emission of selected
Author (Primary)	H. Szegedi
Supervisor	A. Odendaal

CRTS cataclysmic variables

	Yes	No
I am aware that the above-mentioned paper is being submitted for possible publication in the Proceedings of the South African Institute of Physics (SAIP 2016) and hereby consent to the submission	✓	
I have proof-read the paper and am satisfied that the presented work is that of the listed authors	✓	
I am satisfied that the paper is written in appropriate English and is sufficiently free of grammatical and spelling errors	✓	
I am familiar with the required manuscript format and am satisfied that this paper meets the criteria	✓	
I am satisfied that the scientific content of this manuscript is sufficiently high for it to be considered for publication in a reputable journal and consequently also in the Proceedings of the South African Institute of Physics (2016)	✓	
I am willing to act as a referee for the SAIP proceedings	✓	

Supervisor/Promoter: Dr. A. Odendaal
