## Section C: Suggested Reviewers for all Submissions

**Note:** In order to improve the scientific quality and ensure credibility of published proceedings of *South African Institute of Physics (SAIP) conferences*, it is essential that manuscripts be evaluated by competent individuals. Unfortunately, the physics community in South Africa is small and the onerous responsibility of reviewing manuscripts cannot be left to a few individuals. As a supervisor of a student submitting a paper, you will automatically be added as a referee for the 2017 SAIP Conference proceedings. **In addition please ensure that you provide a list of suggested reviewers below.**
